Taylor Named COO at GPlus

Nicholas Taylor has been named Chief Operating Officer at Gplus Europe, having acted as non-executive director since the company's inception in 2000. Previously, Mr Taylor worked at the Royal Institute of British Architects as Executive Director. Prior to that, he was at the communications consultancy Luther Pendragon, where he rose to become Managing Partner before leaving to become CEO of WPP subsidiary Metro Broadcast. Mr Taylor has a wide range of experience in the private, public, and not-for-profit sectors.
